

Our Vision is a Person, Our Vision is Jesus Christ

24TH JANUARY 2021: THIRD SUNDAY IN ORDINARY TIME

Heading for the Kingdom

During lockdown we have been mindful of the need for social distancing and other injunctions, set by the government, to make sure that we have little contact with each other and thus not spread the virus. It's not always easy for people to remember these injunctions.

As I went to the shops last week, remembering to take my mask and keep a safe distance, I was struck by the number of times I heard people making their apologies for any supposed infringements of the rules with, "I'm sorry" and "please forgive me!"

We are all aware of how easy it is to say the word "sorry." Indeed, you do not have to be in the middle of a Covid -19 Pandemic to hear the word, as, for many, the word sorry slips readily off the tongue with little or no depth of meaning. However, I have a feeling that this word is being reassessed and people are actually and genuinely asking for forgiveness for inappropriate behaviour.

When we use the word sorry, we are acknowledging the fact that we have distorted what is the devolved way of behaviour; we have damaged the agreed way of acting. For Christians there is, here, an important theological principle. We can see how the ability to say sorry and to ask for forgiveness takes us back to a perfect state, before the Fall of Humankind. It is a place for which we long where there is no need to offer an apology because all is perfection - every word every deed.

This longing for a better and more pure way of life and living, is satisfied in the Good News which Jesus proclaims right at the beginning of today's Gospel. Such is the generosity of God that He gives us the opportunity to say sorry for our way of life and to receive a foretaste of this place of perfection, The Kingdom of Heaven, by wiping away our sins. God is prepared to do this time and time again for those who are really sorry. Jesus comes and fulfils this promise by asking us to have some sincerity behind our saying sorry. He tells us that we must make an act of faith that God will do as he has promised in Jesus and His teaching. We are called to believe that He has the words of eternal life for He is the Word of Life. As such, we can see that the Kingdom, then, is close at hand.

With that confidence we may, like the disciples, leave what has been our old way of life and pursue the new way which will lead to ultimate satisfaction, completion and eternal life. As Catholics we are privileged to receive the forgiveness of God through the Sacrament of Reconciliation (Confession). It is a Sacrament of Forgiveness, healing and an encouragement to be effective disciples. It is a channel of Divine Grace.

Although we have lockdown we do not have a lockdown on Confession and if you want to make your Confession please contact one of the priests and arrange for this to take place.

Message from our priests

Dear parishioners, we would like to thank you all for your support and get well messages. We have now recovered from our illness, however, due to current circumstances we have had to review and update our timetable of Masses.

Unfortunately we have had to reduce the number of Masses taking place across the Parish, please see the back page of our newsletter for the new timetable. **Starting from 24th Jan**, all of the Masses celebrated from Holy Cross will also be live streamed.

We want everyone to stay safe and take due care when they are attending Mass so it's important that everyone follows the directions of the stewards and the regulations relating to mask wearing and social distancing. Please don't socialise or stop and chat with other parishioners at the end of Mass, either inside or outside of the church. Please wave, smile, nod and greet others from a distance. Hopefully in the not to distant future the situation will be begin to get better. Take care and God bless.

Fr Raffaele, Fr Luca, Fr Marco & Matteo
